ABC Case Management, Inc

We Advocate Because We Care

Jessica Oblock, LCSW, Social Work Case Manager | Jessica graduated from the University of Southern California with a Master's Degree in Social Work. She has worked with a variety of clients, but found her niche in working with the aging population.

Chanel Syme, RN Nurse Case Manager | Chanel is an experienced nurse and has specialized in home health care and rehabilitation. Her work has directly effected positive change for independence, health and safety for the aging population that she passionately serves daily.

Clay Cordero, Administrator | Clay has years of experience serving the community. His strategizing and problem solving skills allow him to provide future-focused solutions. Clay will be one of your first points of contact with ABC and he will ensure your issues are handled in a timely manner by the right person.

Why Choose Us?

We have an experienced team of Licensed Clinical Social Workers and Registered Nurses to oversee your assessed social and medical needs. We are ready to advocate and mediate issues with your care when appropriate. You will have consistent contact with your case manager to make sure you continue to remain satisfied with all services. With our small business, you will always know who you are speaking to and who is advocating for you.

Serving Salt Lake, Davis, Utah Counties (801) 997-9397

How get to ABC Case Management to start working for you:

Step 1

On the application choose ABC Case Management as your case management provider.

Step 2

Jessica or Clay will call you right away and set up a perfect time to meet with you and your family to do a complete assessment. We will determine how we can help.

Step 3

Once you are eligible, ABC Case Management will explore your options for care based on your preferences and medical needs to give you the greatest chance of success.

Step 4

After we have made a plan together, ABC Case Management is with you every step of the way to advocate for the best care for your medical and safety needs.
