

*FREE WORKSHOP*

# Healthy Living with chronic diseases

*Davis County  
Senior Services*

50 East State Street  
Farmington, UT 84025

Do you or someone you know suffer from chronic health concerns such as: **Heart Disease, Asthma, Arthritis, Diabetes, etc?** A six-week workshop developed by Stanford University is being offered to those that suffer from chronic conditions.

Participants meet 2½ hours once a week for six weeks. Individuals are taught to control their symptoms through:

- Communication with health providers
- Managing sleep and fatigue
- Effective problem solving
- Correct medications use
- Relaxation techniques
- Changes in diet
- Goal setting
- Exercise

When: February 5, 2008

Time: 1:00–3:30 p.m.

Location: Multipurpose Room

Address: 140 E. Center St.

Clearfield, UT 84015

Registration is required.

Enrollment is closed after the second week. To register call Nicole 801-451-3515.
