

CHIP...

A Good Call For Kids

Keeping your children healthy is important. But, without health insurance it isn't always easy. Medical costs can quickly break your budget.

CHIP may be able to help. CHIP provides health insurance for the children of working families who qualify.

To apply for CHIP, watch for Open Enrollment. Dates will be announced on TV, radio and the CHIP website. Call the toll-free number 1-877-KIDS-NOW (1-877-543-7669) or visit online at www.health.utah.gov/chip to find out more.

Your children may qualify for CHIP if they are:

- Under 19
- U.S. citizens or legal residents
- Have no other health insurance
- Meet income guidelines

CHIP Covers:

- Well-child exams
- Immunizations
- Doctor visits
- Hospital and emergency care
- Prescriptions
- Dental care
