

ANNUAL STATE APPLICATION FOR FUNDS UNDER IDEA PART C OPPORTUNITY FOR PUBLIC PARTICIPATION

The Utah Department of Health offers an opportunity for review of the 2017 Annual Application for funds under Part C of the Individuals with Disabilities Education Act (IDEA). The application is available February 18 to April 18, 2017. Public comment is invited from February 21 to March 22, 2017.

This application for funds includes the required assurances and the budget for federal funds. The amounts listed in the budget are based on the current year – FFY2016 allocation – as the Office of Special Education Programs in the United States Department of Education has yet to announce the anticipated award amounts for FFY 2017. A copy may be viewed at www.utahbabywatch.org under “What’s New?”. A copy of the application will also be sent to each early intervention agency contracted through the Utah Department of Health as well as the Utah Parent Center. Those agencies are asked to make the plan available to view.

Interested citizens are invited to comment on the proposed plan. Written, oral, or emailed comments may be submitted no later than March 22, 2017 to:
