

Utah Pediatric Off-Line Medical Direction Protocol Guidelines Are Ready To Use!

Why did Utah EMSC develop the protocols?

1/3rd of our ALS Agencies' **DO NOT** have Off-line Medical Direction.

3/5^{th's} of our BLS Agencies' **DO NOT** have Off-line Medical Direction.

When will the EMSC protocols training start?

July 2009: Utah EMSC will post web broadcast training for all 43 protocols on website.

September 2009: Utah EMSC Coordinators available to provide scenario based protocol training at **YOUR** agency.

What pediatric conditions do the protocols cover?

- Respiratory Emergencies
- Children With Special Health Care Needs
- Preparedness
- Medical
- Cardiac
- Special Care
- Trauma

Where can I download the protocols?
www.health.utah.gov/ems/emsc
