After Hours/On Call: 801-209-2591

News Advisory

UDOH Opens Joint Information Center for Swine Flu Response

- What:** The Utah Department of Health has established a Joint Information Center (JIC) to communicate progress in the ongoing response to the current swine flu outbreak.
- Why:** By establishing a JIC, the UDOH will be able to provide regular updates and communicate breaking developments to all media faster and more efficiently.
- When:** The Swine Flu Joint Information Center will be open 7 days a week between the hours of 8 a.m. and 5 p.m.
- Contact:** To reach the JIC by phone, call:

1-801-538-6291 or
1-801-538-6292
