13. Client Rights & Responsibilities

Clients accessing ADAP Health Insurance (ADAP-I) Services:

The Utah Ryan White Part B Program (Part B Program) is helping to pay for my health insurance premiums, deductibles, co-insurance, and co-payments through ADAP-I services. I understand that I have the following responsibilities in order to continue receiving this help.

- I understand that I am the policyholder of my insurance plan being paid for by the Part B Program and I have the responsibility of sharing any letters, bills, and communication I receive from the insurance company with my case manager.
- I understand that I have the responsibility to re-certify with the Part B Program every six months or I risk having my insurance plan cancelled. If I do not re-certify I am considered ineligible for the Part B Program and I am responsible for paying back any Part B Program money spent on my insurance during the time I did not recertify, which may include monthly premiums, deductibles, co-insurance, and/or co-payments.
- I understand that if I receive a refund check from the insurance company that I have the responsibility to return this money to the Part B Program. I understand that if I do not make payment arrangements with the Part B Program I will not be eligible to continue receiving Part B Program services.
- I understand that if I receive a refund on my tax returns due to underpayment of premium tax credits through the Health Insurance Marketplace that I have the responsibility to return this money to the Part B Program. I understand that if I do not make payment arrangements with the Part B Program I will not be eligible to continue receiving Part B Program services.
- I understand that if I do owe the Part B Program any money due to insurance over-payment, failure to re-certify every six months, due to underpayment of premium tax credits on the Marketplace, or other reasons then I can enter into a payment plan to continue receiving help from the Part B Program.
- I understand that if I do not return any money owed to the Part B Program and do not arrange for payment, I will not continue receiving help from the Part B Program.

Clients with no health insurance accessing ADAP Medication (ADAP-M) Services:

If you do not have health insurance, for any reason, and want to keep getting services from the Ryan White Part B Program (Part B Program), including ADAP- Medication Assistance (ADAP-M), there may be serious consequences.

- Under the Affordable Care Act (ACA), the penalty for not having health insurance in 2016 is \$695.00 per person or 2.5% of your yearly household income, whichever is more. The Part B Program **will not** help you pay this penalty. You will have to pay the penalty yourself. Some people may be exempt from the penalty (not have to pay). For example, if you do not make enough money to file a tax return, you are exempt from the penalty.
- If you do not have health insurance and are enrolled in the Part B Program, then you will only be able to get medications listed on the ADAP-M Formulary and only be able to see Part B Program doctors and providers.
- If the Part B Program does not have enough money to help everyone, there will be people placed on a wait-list. The people who choose to not get health insurance but could have may have their place on the wait-list affected by this choice.

14. Disclosure Consent

I understand that my records are protected under State and Federal regulations and cannot be disclosed without my written consent. I understand that information can be released for billing, chart audits, program monitoring/quality management, data reporting, health insurance, and needs assessment purposes.
