

## Tell Us Your Story!

Have you ever collected your family health history? Here's your chance to not only learn about life-saving information for you and your family but to win prizes and share your story with other Utah families!

Contest Deadline: January 8, 2007

### Entry Guidelines:

1. A release form must accompany each story submission.

2. Stories must describe:

■ **What you did to learn about your family health history.** (For example, did you use the Family Health History Toolkit? Take your grandchildren to the Family History Library? Talk about this over Thanksgiving dinner?)

■ **How your family health history has impacted you and your family.** (For example, did you learn a health problem runs in your family that you never knew about? Have you made healthy choices because of it? Could something have been prevented if you would have known about your family health history sooner?)

3. Stories may be submitted in any format. Submissions WILL NOT be returned!

- Written essay
- Video
- Photos
- Etc

4. Submit stories by mail, email, or hand delivery to the:

UDOH Genomics Program  
PO Box 142106

Salt Lake City, UT 84114-2106

Hand delivery: 288 North 1460 West

Email: [genomics@utah.gov](mailto:genomics@utah.gov)

## Prizes

Winners will be notified by January 31, 2007.

■ Winners will have a chance to share their story with other Utah families on TV or newspaper.

■ 10 winners will receive a free one hour consultation at the Family History Library with professional genealogist James W. Petty to discuss researching their family history. Valued at over \$1500!

■ And more!
