

## DNA DAY ACTIVITIES APRIL 2007

Celebrate DNA Day by joining us during the month of April for any or all of these fun activities!

■ **DNA Day Trivia:** Test your DNA knowledge AND win PRIZES!! Correctly answer the trivia questions sent out every Monday and be entered to win a prize at the end of each week. Plus a Grand Prize drawing for all of the weekly winners on DNA Day!

■ **DNA GOES HOLLYWOOD**, April 4, 3-4pm, room 114: join us for a movie and discussion on the ethical issues surrounding genetic testing. Refreshments will be served!

■ **“Exercise Your DNA!”** April 5, 11am: join Dr. Sundwall for a Gold Medal Mile Walk, meet behind the cafeteria.

■ **“GENOMICS FOR TODAY’S AND TOMORROW’S PUBLIC HEALTH”** April 11, 3:30pm: UPHA Conference break out session presented by Louisa Stark.

■ **GENETICS AND DEPRESSION “BROWN BAG”**, APRIL 16, 12-1PM ROOM 125: “bag” your lunch and come listen to Scott Fidler, a clinical psychologist, present on genetics/family health history and depression.

■ **DNA DAY FAMILY FEUD**, April 25, 3-4pm, room 114: get a team together and come show off your DNA knowledge!

■ **SCIENCE MOVIE NIGHT**, May 1, 6:30pm: SLC Main Library auditorium. Watch “Multiplicity” for FREE and then listen as Dr. Marc Williams debunks the science behind the movie.
