

Negotiated Risk Contract

This contract is entered into by the responsible party for and in behalf of:

It has been brought to my attention that the aforementioned person is having difficulty in the following areas:

I have discussed the possible problems and risks associated with these events with a representative of (FACILITY) and I understand the ramifications and risks to the aforementioned person if these behaviors or events continue. I understand that by signing this contract, I am directing (FACILITY) to allow the aforementioned person to continue in the manner set forth above and will remove all liability and to hold harmless (FACILITY) and all those who are employed there in regards to these specific behaviors and events. I knowingly and willingly have made a decision to allow this risk contract to be enforced by (FACILITY). This contract can be reviewed and/or revised at any time. If any changes need to be made, a new contract must be signed by all parties involved.
