

MENTAL HEALTH CENTERS' PROCEDURE CODE CROSSWALK

Service	YCODES	New Standardized Procedure Codes	Notes
MENTAL HEALTH EVAL, PSYCHO-SOCIAL PORTION COMPLETED BY NON MH THERAPIST	Y4032, per 15 min	H0031, mental health assess by non-physician, per 15 minutes	This code will be used for the psycho-social part of a mental health evaluation that can be conducted by non-mental health therapists (i.e., SSWs); have been told 90801/02 should not include non-mental health therapist's time so this code works nicely. This is a "per fifteen minute" unit code.
MENTAL HEALTH EVALUATION	Y4032; per 15 min (Y3200 & Y3205-Y3207)* See note at bottom of page.	90801, 90802, per 15 minutes	These codes will be used for the diagnostic portion of the mental health evaluation that can be conducted only by licensed mental health therapists. These are "per fifteen minute" unit codes.
PSYCHOLOGICAL TESTING	Y4033, per 15 min (Y3220, Y3225, Y3211, Y3212)	96100, 96105, 96110, 96111, 96115, 96117, per hour	These codes are per hour .
INDIVIDUAL MENTAL HEALTH THERAPY	Y4041, per 15 min (Y3230, Y3235, Y3213, Y3214)	90804, 90806, 90808, 90810, 90812, 90814	These codes have time increments built into their definitions. Conversion table: 15 minute equivalents: 90804, 90810 = 20-30 min = 2 15 min units; 90806, 90812 = 45-50 min = 4 15-min units; 90808, 90814 = 75-80 min = 6 15-min units.

***For PMHPs, these psychology Ycodes are also replaced by these new codes.**
