**Utah Specific Transaction Instructions  
ENCOUNTER RECORD**837 Health Care Claim: Professional  
ASCX12N 837 (005010X222)

The Health Insurance Portability and Accountability Act (HIPAA) requires that Medicaid, and all health insurance payers in the United States, comply with the Electronic Data Interchange (EDI) standards for healthcare as established by the Secretary of Health and Human Services. The ANSI ASC X12N 837P Version 5010 implementation guide has been established as the standard of compliance. For encounter records, Utah Medicaid will implement the Errata corrections for the Health Care Claim: Professional (005010X222). The implementation guide is available electronically at [www.wpc-edi.com](http://www.wpc-edi.com). The following supplemental requirements are specific to Utah Medicaid and are intended to serve as a companion guide to the HIPAA ANSI X12N implementation guide.

**Requirements:**

1. An Electronic Commerce Agreement must be in place. The form is available at [www.UHIN.org](http://www.UHIN.org).
2. A Utah Medicaid EDI Enrollment form must be completed and on file prior to the submission of encounter records. The form is available at [http://www.health.utah.gov/hipaa/medicaid\\_pcn.htm](http://www.health.utah.gov/hipaa/medicaid_pcn.htm). Transactions submitted without an Electronic Transmitter Identification Number (ETIN) or Trading Partner Number (TPN) on file with Medicaid will be rejected back to the sender.
3. 837 encounter records may be sent anytime 24 hours a day, 7 days a week.
