

R430-2. GENERAL LICENSING PROVISIONS, CHILD CARE FACILITIES.

R430-2-10. License Transferability, Posting.

- (2) The licensee shall post the license on the facility premises in a place readily visible and accessible to the public.

Enforcement

In order to be readily visible, the license must be posted in a place where parents can see it when they come and go each day.

Always Level 3 Noncompliance.

R430-2-4. Initial License Issuance or Denial.

- (4)(c) The number of children in care at any given time shall not exceed the capacity identified on the license.

Enforcement

Compliance with this rule may be assessed by totaling the number of all children currently signed in, or by counting the number of children in the facility.

Always Level 1 Noncompliance.
