H.O.P.E. Services

Helping Other People Exceed

H.O.P.E. Services is an acronym for "Helping Other People Exceed." The name came about when many individuals in the Special Needs population stated that we "offer them HOPE" when no one else does.

H.O.P.E. Services has over 30 years of experience within the Disability Population. In the last several years, a strong community and skills with Innovative plans have been developed to empower people with varying disabilities, health issues and economic challenges to connect to resources that support them in pursuing a fulfilling quality and community life. H.O.P.E. Services truly understands the needs and desires of the population being supported and values their role as sole supports in the lives of the people they interact with. We are here to support the individual and their families to discover and utilize community resources for the purpose of securing employment opportunities. H.O.P.E. Services promote family preservation and assist in developing both natural and supports from the community so the Person gains employment and enhances their quality of life.

H.O.P.E. Services brings an abundance of resources and training to enhance the lives of the people it serves. Employees are committed to ongoing training to advance their skills within the disability community and provide them with the most up to date information available to facilitate their needs.

H.O.P.E. Services bring to the table many years of training such as IEP's, Autism Advocacy, Collaboration with the Utah Parent Center and many of the companies it supports, Advocating for families with Special Needs, Human Resource skills in developing policy and procedure manuals, working with professionals in our community in enhancing the needs of the disabled population through positive communication. H.O.P.E. services strive for a positive working relationship with EPAS, Vocational Rehabilitation , DSPD and Provider Agencies and the families and individuals that are served. EPAS Services (Employee Personal Assistant Service) and CSB (Community Service Brokering) services are also available.
