

## Schedule of Medicaid Expansion Public Meetings

The Utah Dept. of Health will be holding several informal public discussions, as well as two required public hearings regarding House Bill 437 and the new adult expansion program. Below are the dates, times and locations.

In addition to meetings in Salt Lake City, we will be holding two informal public discussions outside of the Salt Lake area; one in Richfield and another in St. George.

If you cannot attend the meetings in Salt Lake City in person, there will be a call-in number for those dates. It is 1-877-820-7831, passcode 196690#.

We will also be posting information regarding the adult expansion program to our website as it becomes available, at: <http://health.utah.gov/MedicaidExpansion/index.html>.
