Failure to submit the FCP on time will result in the withholding of Medicaid payments from your facility. The Utah State Plan Attachment 4.19-D, Section 332 states (bold added):

The FCP is due two months after the end of the reporting period... The provider may request a 15-day extension for extenuating circumstances. The request must be made in writing prior to the due date. The State may grant a 15-day extension only when justified. **Failure to file timely FCPs can result in the withholding of payments** as described in Section 720.

If your facility needs to request a deadline extension, please submit your written request via e-mail to my e-mail address.

It is imperative that you disclose all related companies and employees. From CMS Pub 15-1, Section 902.5 we read who is considered a related employee:

“...the following persons are considered ‘immediate relatives’: (1) husband and wife; (2) natural parent, child and sibling; (3) adopted child and adoptive parent; (4) stepparent, stepchild, stepbrother, and stepsister; (5) father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law; (6) grandparent and grandchild.”

In addition, the *Code of Federal Regulations (CFR)* states the following:

42 CFR 455.101 Definitions:

“Person with an ownership or control interest means a person or corporation that--

- (a) Has an ownership interest totaling 5 percent or more in a disclosing entity;
- (b) Has an indirect ownership interest equal to 5 percent or more in a disclosing entity;
- (c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;
- (d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;
- (e) Is an officer or director of a disclosing entity that is organized as a corporation; or
- (f) Is a partner in a disclosing entity that is organized as a partnership.”

42 CFR 455.104(d):

"Denial of Federal financial participation (FFP). FFP is not available in payments made to a provider or fiscal agent that fails to disclose ownership or control information as required by this section."

If you have any questions about related parties, or if you have general questions about the FCP forms, please contact me at dmeadows@utah.gov or (801) 538-6790.

Sincerely,

David Meadows
