## Table Legend

< 5 = 1 to 4 patients

## State average hospital length of stay

Minor/Moderate is 4.6 days

Major/Extreme is 9.3 days

**Level of Illness:** Compared to patients with minor/moderate level of illness, patients with major/extreme level of illness are likely to have more serious gallbladder problems and other serious conditions that require more complex treatment.

**Average Charge:** The average dollars for hospital services for which patients were billed at a particular facility. The charge does not include physicians' professional fees or patient personal costs.
