

## ACKNOWLEDGMENTS

The Health Status by Small Areas in Utah report was prepared by the Office of Public Health Data, Bureau of Surveillance and Analysis, under the direction of Robert T. Rolfs, M.D. It is the mission of the Office of Public Health Data to facilitate, coordinate, and assure the appropriate collection, analysis, and interpretation of accurate health data for purposes of surveillance, policy development, and program planning and evaluation. One aspect of this mission is the provision of regular reports of health data, including such data as leading causes of death, and Healthy People 2000 Health Status Indicators.

The report was developed and prepared by:

Gulzar H. Shah, Ph.D.  
Lois M. Haggard, Ph.D.  
Robert T. Rolfs, M.D., M.P.H.  
Kim Neerings

Dr. Shah began this report while working in the Bureau of Surveillance and Analysis. We appreciate his willingness to continue work on it after joining the Office of Health Data Analysis (HDA) and the support of HDA in completing this report.
