External Contributors

Judith R. Kregel, BS, CHES, Health Promotion Bureau Manager, Davis County Health Department

This project was funded in part by the Centers for Disease Control and Prevention (CDC) through the Behavioral Risk Factor Surveillance System (BRFSS) Cooperative Agreement U58-CCU800572 and the Preventive Health and Health Services Block Grant 93.991. The contents of this report are solely the responsibility of the authors and do not necessarily represent the official views of the Centers for Disease Control and Prevention.

Appreciation is extended to our capable BRFSS survey supervisor:
Marilynn Startup, MPA

We'd like to thank our BRFSS interviewers for their persistent high-quality effort:

Richard Anderson
Jana Arche
Susan Barney
Dianne Cunningham
Ann Marcusen
Ruben Robles
LeAnna VanKeuren

The Utah Department of Health would especially like to thank the citizens of Utah who graciously took the time to participate in the Behavioral Risk Factor Surveillance System telephone survey.
