The dial-in number is: (801) 587-0130. Wait for the instruction and enter 3011 #

AGENDA

"Digital health service" means the electronic transfer, exchange, or management of health related data for diagnosis, treatment, consultation, educational, public health or other related purposes.

The Utah Digital Health Service Commission's mission is to facilitate and promote the adoption of the secure, effective and efficient exchange of electronic health data and services, as a means to reduce health care costs, enhance quality, increase access, and improve medical and public health services.
