

UTAH DIGITAL HEALTH SERVICE COMMISSION (DHsC) MEETING

Friday, November 9, 2007
10:00 a.m. – 12:00 p.m.
Utah Department of Health
Room 114

AGENDA

"Digital health service" means the electronic transfer, exchange, or management of health related data for diagnosis, treatment, consultation, educational, public health or other related purposes.

The Utah Digital Health Service Commission's mission is to facilitate and promote the adoption of the secure, effective and efficient exchange of electronic health data and services, as a means to reduce health care costs, enhance quality, increase access, and improve medical and public health services.
