medications,  
vaccines,  
smoking,  
alcohol,  
diseases,  
beauty products,  
household cleaning  
products,  
herbal supplements.

*MotherToBaby is a service of the non-profit Organization of Teratology Information Specialists (OTIS). We are internationally recognized and a suggested resource by agencies like the Centers for Disease Control and Prevention (CDC). While the information you receive from us should not replace the advice of your regular doctor, having access to the most up-to-date information and research can reduce anxiety, stress and worry. For more information, please visit [www.MotherToBaby.org](http://www.MotherToBaby.org).*
