

- Information about your annual option to change your Medicaid health plan -

Dear Utah Medicaid Client:

Medicaid announces the 2008 annual open health plan change period for Utah Medicaid clients. IF YOU WANT TO CHANGE YOUR Medicaid health plan, YOU MUST CALL between May 15, 2008 and June 16, 2008. This is your once a year chance to enroll with a different plan. The new plan would begin on July 1, 2008 and go through June 30, 2009.

- \* If you want to keep the health plan that is now on your card, YOU DO NOT NEED TO CALL.
- \* Children in FOSTER CARE must contact their Fostering Healthy Children nurse to discuss any health plan changes. We can only accept approved changes for foster care children from the assigned FHC nurse.
- \* We are not able to help with or answer questions about ELIGIBILITY. For ELIGIBILITY questions, please contact your DWS ELIGIBILITY WORKER. This letter is to provide currently eligible Medicaid clients with open plan change information.

Medicaid currently offers three health plans: Healthy U, Molina and Select Access. When you think about choosing a different health plan, please keep in mind that every plan offers the same benefits.

**IMPORTANT: CHANGING HEALTH PLANS MIGHT MEAN THAT YOU WOULD HAVE TO CHANGE THE DOCTORS, OTHER MEDICAL PROVIDERS AND HOSPITALS YOU ARE ABLE TO USE.** We suggest you contact your current providers to make sure they will accept any plan you are considering. Enclosed is a health plan chart to help with your choice.

If you decide that you would like to change your health plan, you must call <HPR office phone number bookmark> beginning May 15, 2008 and ending June 16, 2008. An HPR (Health Program Representative) will help you.
