IT'S TIME TO GET...

UPP

for health insurance

WHAT'S UPP?

UTAH'S PREMIUM PARTNERSHIP FOR HEALTH INSURANCE

UPP ("up") helps make health insurance more affordable for working individuals and families.

- UPP is for adults and children who don't currently have health insurance.
- UPP will help you pay your monthly premiums when you enroll in your employer's health insurance plan.

DO I QUALIFY?

UPP is for uninsured children and adults ages 0 - 64. You may qualify if:

- You are a U.S. citizen or legal resident
- You or your spouse are employed and can get health insurance through your employer
- The health insurance plan meets basic guidelines
- Your cost of health insurance is more than 5% of your income
- You meet income guidelines below (Visit the website or call for details.)
