OPPORTUNITY FOR PUBLIC PARTICIPATION**

The Utah Department of Health offers an opportunity for review of the 2020 Annual Application for Funds under Part C of the Individuals with Disabilities Education Act (IDEA). The application is available to view February 24, 2020 to April 24, 2020. Public comment is invited from February 24 to March 24, 2020.

This application for funds includes the required assurances and the budget for federal funds. The amounts listed in the budget are based on the projected allocation year FFY2020 received from the Office of Special Education Programs in the United States Department of Education. A copy may be viewed at [www.utahbabywatch.org](http://www.utahbabywatch.org) under the *Track Our Progress* tab, in Application for Federal Funds. A copy of the application will also be sent to each early intervention agency contracted through the Utah Department of Health, as well as the Utah Parent Center. Those agencies are asked to make the application available to view.

Interested citizens are invited to comment on the proposed plan. Written or emailed comments may be submitted no later than March 24, 2020 to:
