**ANNUAL STATE APPLICATION FOR FUNDS UNDER IDEA PART C
OPPORTUNITY FOR PUBLIC PARTICIPATION**

The Utah Department of Health offers an opportunity for review of the 2021 Annual Application for Funds under Part C of the Individuals with Disabilities Education Act (IDEA). The application is available to view February 11, 2021 to April 11, 2021. Public comment is invited from February 11 to March 11, 2021.

This application for funds includes the required assurances and the budget for federal funds. The amounts listed in the budget are based on the projected allocation year FFY2021 received from the Office of Special Education Programs in the United States Department of Education. A copy may be viewed at www.utahbabywatch.org under the *Track Our Progress* tab, in Application for Federal Funds. A copy of the application will also be sent to each early intervention agency contracted through the Utah Department of Health, as well as the Utah Parent Center. Those agencies are asked to make the application available to view.

Interested citizens are invited to comment on the proposed plan. Written or emailed comments may be submitted no later than March 11, 2021 to:
