**ANNUAL STATE APPLICATION FOR FUNDS UNDER IDEA PART C
OPPORTUNITY FOR PUBLIC PARTICIPATION**

The Utah Department of Health offers an opportunity for review of the 2018 Annual Application for Funds under Part C of the Individuals with Disabilities Education Act (IDEA). The application is available to view March 1, 2018 to May 1, 2018. Public comment is invited from March 9 to April 9, 2018.

This application for funds includes the required assurances and the budget for federal funds. The amounts listed in the budget are based on the current year – FFY2017 allocation – as the Office of Special Education Programs in the United States Department of Education has yet to announce the anticipated award amounts for FFY 2018. A copy may be viewed at www.utahbabywatch.org in Application for Federal Funds, under the *Reporting* tab. A copy of the application will also be sent to each early intervention agency contracted through the Utah Department of Health, as well as the Utah Parent Center. Those agencies are asked to make the application available to view.

Interested citizens are invited to comment on the proposed plan. Written, oral, or emailed comments may be submitted no later than April 9, 2018 to:
