Applying for CHIP

The **Department of Workforce Services (DWS)** processes CHIP applications and determines eligibility.

DWS workers are the only people who can answer your questions you about the eligibility process.

To apply for CHIP contact DWS:

1-866-435-7414

jobs.utah.gov/mycase/

CHIP Eligibility Plans

- As of 2014:
 - CHIP has two plans (CHIP B and C). Depending on your income, your eligibility worker will assign you to one of the two CHIP plans.
 - Your assigned plan (B or C) determines the amount of your premiums, co-pays and deductibles.
 - Plan B or C will be listed on your CHIP member card.

CHIP Premium, Deductible and Co-Pay

- Premium
 - If you have a CHIP premium, you must pay it on time or your CHIP case may be closed.
- Deductible
 - Plans B and C require that a deductible be met before some services can be paid.
- Co-Pay
 - Most CHIP members will have a co-pay for medical and dental services.

After Your Child has Been Approved

1. You will receive a 'Welcome to CHIP' letter by mail. The letter will ask you to choose a health plan and a dental plan.

Check with your current providers to find out which plans they accept. If you do not make a choice, you will be assigned to a health and a dental plan.

2. You must ***choose or be assigned*** a health plan and a dental plan before bills can be paid.
3. Within a few weeks after making your plan selection, the health and dental plans will mail CHIP Member cards and information packets.

Health Plan Choices

CHIP members may choose between two health plans. The cost and benefits are the same with each plan. Your provider may accept one or both of the plans.

Dental Plan Choices

CHIP members living in **Davis, Salt Lake, Utah and Weber Counties*** may choose between two dental plans.

DentaQuest

1-800-417-7140

www.dentaquestgov.com

Premier Access

1-888-735-0760

www.premierlife.com

*CHIP members living in **all other counties** will have Premier Access as their dental plan.

Health and Dental Plans Will:

- Send CHIP Member cards
- Supply benefit information
- Help you find participating providers
- Answer questions about CHIP benefits
- Process and pay claims

Health Program Representative (HPR)

HPRs work for the Utah Department of Health. Most HPRs are located in DWS offices along the Wasatch Front (Davis, Salt Lake, Utah and Weber Counties.)

HPRs:

- Provide CHIP education
- Help you choose your health and dental plans
- Answer general questions about CHIP benefits
- Assist with medical and dental plan changes

Changing Health or Dental Plans

- Once health and dental plans are chosen, they must remain the same through June.
- CHIP allows plan changes annually.
 - A reminder letter is sent in May announcing the open plan change .
 - Any changes made to your health or dental plan will begin July 1st.
- ✓ ***Contact an HPR if you move to a different county in Utah. Plans may not be available in each county.***

To Contact an HPR
